**REMARKS** 

Claims 20-37 are pending in the present application. Claim 20 has been rejected.

Claims 21-37 have been allowed. Claim 20 has been canceled. No claims have been

amended or added. Applicants respectfully acknowledge and thank the Examiner for the

indication of allowable subject matter, notably the allowance of claims 21-37.

Regarding claim 20, Applicants again respectfully traverse the pending rejection and

incorporate all remarks from Applicants' previous response, particularly noting that the

interpretation of means-plus-function elements "shall be construed to cover the corresponding

structure, material or acts described in the specification and equivalents thereof." See 35

U.S.C. § 112, paragraph 6. Nevertheless, Applicants have canceled claim 20 herein so as to

expedite the issuance of the presently allowed claims. Applicants respectfully reserve the

right to pursue this now canceled claim in a later continuation or divisional application.

Applicants respectfully submit that all claims are now in proper form and condition

for patentability, and request a Notification of Allowance to that effect. It is believed that no

fees are due at this time. Should any fee be required for any reason related to this document

or application in general, however, then the Commissioner is hereby authorized to charge

such fee or fees to Deposit Account No.50-0388, referencing Docket No. NSC1P276. The

Examiner is respectfully requested to contact the undersigned attorney at the telephone

number below with any questions or concerns relating to this document or application.

Respectfully Submitted,
